

IBM Ring 101 presents a Magic Sale & Auction

We are trying something new this year!

7:00pm – 7:30pm: “Table Sale” – set your items out on tables for sale – you set the price you want for your items; anyone can buy them – first come, first served.

7:30pm – 7:45pm: Everyone gets up to 5 lots of magic to sell in the auction from what is left on their tables – take this time to group your items if you have more than 5 items left, or to pull items you don’t want to sell in the auction.

7:45pm: Auction begins!

Featuring new & nearly-new magic and clowning items from Flower the Clown

When: Regular Meeting Date & Location

Where: VFW, 315 N Washington St, Rome, NY
